- The Completed Course Confirmation Sheet can be checked on the Nagoya University Portal at <https://portal.nagoya-u.ac.jp/>
- The class timetable are available on the website of the School of Engineering at <http://www.engg.nagoya-u.ac.jp/>
("Current Students" → "Class Schedule")
- Notes on online registration
 - * Please log in to the Nagoya University Portal at <https://portal.nagoya-u.ac.jp/> using your Nagoya University ID (It will have been issued by the Information and Communications Headquarters upon entrance).
 - * Avoid input during maintenance periods (6pm - 7pm, 4am - 5am). It is not possible to guarantee the entered data.
 - * If students have lost their Nagoya University ID or there are issues with their password, please contact the Information Media Office (School of Engineering, Building 7, 4th Floor). (Re-issuance takes approximately 1 week so please be sure to check in advance. 052-789-3903 e-office@media.nagoya-u.ac.jp)
 - * URL for the operating manual: <http://web-honbu.jimu.nagoya-u.ac.jp/gakumu/gakumubu/student/index.htm> (in Japanese)
 - * For queries or opinions concerning the academic system contact the Student Affairs Department, Student Affairs Planning Division at "gakumu-support@adm.nagoya-u.ac.jp"
- Notes on online course registration
 - *For courses (experiment, exercise etc.), which are held several times a week, it is necessary to enter each of the days and times as listed on the class timetable.
 - *Students cannot correct on the web for final additions or amendments. Students should carry out the procedure by submitting the application form distributed by the Student Affairs Division of the School of Engineering.
- Notes on "Special Course Registration"
 - (Retake failed compulsory courses in specialized fields in case that students have another compulsory courses at the same period)
 - *Special course registration is restricted in case that both special course registration course and regular course are compulsory (or elective compulsory) courses in specialized fields.
 - *Students CANNOT make use of this system for any Liberal Arts and Sciences courses.
 - *Students should submit an application form before online registration. Application form is available at the Students Affairs Division from October 1.
- Notes on "Course Withdrawal System"
 - * If students wish to drop a course and receive a grade "Absent", they must submit a "Course Withdrawal Request Form" to the instructor before the end of November. The form is available at the Student Affairs Division from November 5.
 - * Course Withdrawal System CANNOT applied to "Lecture" or "Lecture and Exercise" of the specialized field courses for the School of Engineering.
- Other Considerations
 - * Freshman students may not take courses which are aimed at sophister students.
 - * The syllabus can be checked on the website of the School of Engineering besides a booklet. ("Current Students" → "Syllabus")
