

【Report on career path after graduation】

This registration is the procedure based on “School Basic Survey” of the Ministry of Education, Culture, Sports, Science and Technology.
Every student in the graduation / final year is required to report on the career path (employment, go-to-school, etc.) after graduation.

At Nagoya University, everyone in the graduation / final year is required to report on “**Career Report Registration**” (Required) and “**就職活動体験記の登録**”(Optional). Please be sure to enter as soon as the course is decided.

If you are required by the department you belong although you have not decided yet, please report on your current status.

If you register as “Haven’t decided yet (still hunting for a job)”, please register your final decision by the time you graduate.

If you change the information you registered, please register again.

Have you decided future path?
