

How to complete your “career report registration”

At Nagoya University, everyone in the graduation/ final year is expected to report on their career plan after graduation. This is for the “Situation Survey for Post Graduates” of the “School Basic Survey” (a Fundamental Statistical Survey based on Statistics Act) conducted by the Ministry of Education, Culture, Sports, Science and Technology. Your information will be also used for some other survey statistics related to career and employment. Your name will be kept confidential and not be leaked to anyone outside the university. We would like to ask your kind understanding and cooperation.

1. Please report on your career plan after graduation at **“Career report registration (Required)”** and **“Job hunting report (Optional)”** as soon as you decide your own plan.

2. Please select from the following **“Start working (including public servant and teacher) ”**, **“Continue your education”** or **“Others”**, and the category list will be shown. Please select your future path. (For more details, please refer to the 12-20 page.)
3. If you register provisionally before the final decision, please register your current situation on the bottom part **“Haven’t decided yet”**. As the registration is provisional, please reregister promptly your decided situation from “Start working”, “Continue your education” or “Others” when you decide the future course.
* If there is any change(s) occurred on your registered information, please update them at any time. You can change the content as many times as you want.

■ Select a category from Employment, Further Education, and Others, and register the path you have decided on.
