

Dear All Students

Important Information about Your Travel Abroad

From the NU Student Exchange Division

Overseas Travel Database Registration

Overseas Travel Database

<https://tokou.iee.nagoya-u.ac.jp/>

Mandatory for: All Nagoya University students

Registration in the database is required for any of overseas travel such as study abroad, business trip, tourism, temporary return, family trip, etc.

In the event of any emergency overseas, the university will contact the registered contacts in the database to confirm your safety, so please make sure to register every time you go overseas.

*Editing of the registered information is possible after the database registration is submitted.

After entering your information into the Overseas Travel Database, please print out the “Travel Abroad Notification” report form and obtain your academic advisor’s seal of approval.

Please submit “Travel Abroad Notification” report to the ~~Student Affairs Section of your affiliated department.~~

~~Department Office for School of Engineering/~~

~~Graduate School of Engineering~~

Information on Overseas Travel Insurance

Overseas Travel Insurance is mandatory!

For those traveling abroad for educational and/or research activities, Nagoya University recommends enrolling in the “Gakkensai” (Personal Accident Insurance for Students Pursuing Educational and Research) and Study Abroad Insurance package.

You can save up to 45% on the insurance price when applying for the “Gakkensai” and Study Abroad Insurance package. If you wish to purchase this insurance, please inquire with your department’s academic affairs section for more details. *We do not recommend that you travel abroad with only the travel insurance available with credit cards.
